Volunteer Experience

المعهد الأنطوني - "لقاء الشباب" - Youth Leadership and Rebuilding Forum

November 2023

- Represented my school in a national youth forum aimed at empowering young leaders to contribute to Lebanon's rebuilding efforts.
- Actively participated in discussions on national and social values, focusing on youth's role in promoting cultural unity and social cohesion.
- Engaged in workshops addressing the impact of social media on mental health and values, contributing to recommendations for national unity and the rejection of extremism.
- Collaborated with 200 participants from various schools and universities, fostering dialogue and developing strategies for addressing societal challenges.

JDK Tennis Academy – Beirut, Lebanon

Volunteer Coach

Summer 2024-present

- **Planned and executed daily training sessions for campers aged 6-12**, resulting in a noticeable improvement in their tennis skills and overall fitness levels by the end of the camp.
- **Supported young players in developing their tennis skills** through tailored drills and consistent feedback, fostering a positive and encouraging learning environment.
- **Provided personalized coaching and mentorship**, identifying and addressing individual strengths and weaknesses, leading to a significant boost in camper confidence and skill mastery.
